International & Sri Lankan

Never spoken at an International Conference ?

Welcome to Sri Lanka....

“ YOUNG EM PRESENTATIONS ”

COMPETITION

icEM POCUS — 2nd December 2023

This is a triple opportunity for you!!

For your first International presentation on Emergency Medicine

+

International Competition at “ YOUNG EM PRESENTATIONS ”

+

Witness the Inaugural International Conference on Emergency Point-of-care Ultrasound, Sri Lanka

Grab the opportunity and carry forward the batten to promote Emergency Medicine as young speakers & blossom out to showcase your talent of analysing , performing and speaking & teaching skills.

Process

1. Following eligibility criteria & the abstract selection according to the scientific panel , **and the importance of the presentation topic / case study to Emergency Medicine**, the applicants will be informed via emails regarding the selections
2. Selected finalists are requested to make a PowerPoint presentation for 7 minutes followed by 3 minutes Question and Answer session. (Physically attending participants should deliver a live presentation & the virtual presenters should send the pre-recorded video presentation, well before the conference.)
3. All the speakers will be judged by an eminent International & Sri Lankan panel of judges on their presentation topic, slide content, lecture presentation skills , emphasis of the innovative points and the language skills.
4. The ranking list will be generated according to the score by the judge board & the winners will be announced at the closing ceremony of icEM POCUS conference.
5. All participants will receive a certificate of participation in “ International Young EM Presentations”.
6. The first three winners will receive the winning title , certificate and a gift.

* You may send any number of abstracts for the selections, but only one opportunity per person will be given to present at the competition.

Abstract guidelines

1. **Send a word document : single spaced . Font- Times New Roman, Size 12**
2. **Maximum word count : 300 (Excluding the title, authors and references)**
3. **Subtopics of the abstract :**
 - **Introduction**
 - **Justification**
 - **Objectives**
 - **Description / Case study**
 - **Conclusion**

* Register for conference (mention physical / virtual and individual/ group registration in the special email, special registration will be arranged for the international attendees.

*If interested in Emergency Ultrasound specialty Hands-on workshops – mention in the registration form.
